

# John Bonifaz

Democrat for Secretary of the Commonwealth

*Returning  
Voters to Power*

## The Nation.

June 8, 2006

“John Bonifaz... surprised political insiders by winning enough votes at this month’s [Massachusetts] state Democratic convention to earn a place on the ballot for his against-the-odds Democratic primary challenge to veteran Secretary of State William Galvin... He [Bonifaz] says he wants to ‘create a model for free and fair elections for Massachusetts and for the nation.’”

### *John’s commitment to democracy*

and fairness began at an early age. As a college student, he registered thousands of voters. As a law student, he was a leader in the fight to diversify Harvard’s faculty. As an attorney, John has held large corporations accountable for their actions in international human rights and environmental law cases. As a critic of the Bush administration, he is a nationally recognized leader of the anti-war movement.

As Secretary of the Commonwealth, John Bonifaz will promote voter participation, keep big corporations in check and make the Secretary of State’s office more accessible to ordinary citizens.

“John Bonifaz has been a remarkable asset to me and to the nationwide movement to hold the Bush Administration accountable for its abuses of power. **Massachusetts deserves a strong, proven leader like John Bonifaz.** Our country needs to elect more principled progressive candidates like John Bonifaz.”

~Congressman John Conyers, Jr.

“If ever anyone has been prepared for and focused on the issues of what a Secretary of State should be all about, it’s John Bonifaz. **He is the perfect person to set the standard for this important office.**”

~Janet Crane, chair, North Shore Progressives

“**I can think of no better candidate for Secretary of State than John Bonifaz.** He will make Massachusetts and the country proud.”

~Congressman Jesse Jackson Jr.

“John is a proven voting rights leader. As Secretary of State, **he will bring courage and conviction to safeguarding the integrity of our electoral process.**”

~Felix Arroyo, Boston City Councilor At-Large
